For
Air Quality Operating Permit
for Caja Del Rio Landfill of Santa Fe Solid Waste Management Agency

Santa Fe Solid Waste Management Agency at 149 Wildlife Way; Santa Fe, NM 87506 has submitted an air quality operating permit application to the New Mexico Environment Department (NMED) for an air quality operating permit for its Caja Del Rio Landfill. The owner of this plant is Santa Fe Solid Waste Management Agency. The exact location of the facility is/will be at latitude 35 deg, 40 min, 22.1043 sec and longitude -106 deg, 4 min, 18.1717 sec. To aid in locating this facility, the approximate location is approximately 3.3 miles NW of Santa Fe in Santa Fe County, New Mexico. This application file has been assigned an Operating Permit Number P185L-R2 and TEMPO Agency Interest ID No. 1484.

Previously, the plant received an air quality construction permit, if one was required, and is in operation or able to operate. The main purpose of the plant is to accept Municipal Solid Waste.

This operating permit application is for a permit renewal. Per 20.2.70.401.C.(4) NMAC, this permitting action involves no modification to the facility or operations at the facility.

There are no changes in emissions in this permitting action.

The NMED has conducted a preliminary review of the information submitted with the permit application. This review included evaluation of the emission rates and applicable requirements to determine compliance status.

No modeling was required for this action.

The NMED has made a preliminary determination that this plant will comply with the requirements of New Mexico Administrative Code 20.2.70, 20.2.71, 20.2.73, 20.2.77, 20.2.82, the New Mexico Air Quality Control Act, 40 CFR 50, 40 CFR 60 Subparts A and WWW, 40 CFR 63 Subparts A and AAAA, and 40 CFR 82. Therefore, the preliminary intent of NMED is to issue the air quality operating permit on or before February 6, 2013.

Interested persons may obtain the draft operating permit, submit written comments, or request a public hearing on Operating Permit Number P185L-R2. Contact the New Mexico Environment Department, Air Quality Bureau, Operating Permit Unit, 1301 Siler Rd, Bldg B, Santa Fe, New Mexico 87507-3113.

Written requests for public hearing must state the nature of the issues proposed to be raised in the hearing. Comments must be based on the requirements of the applicable state and federal air quality regulations and the Clean Air Act. Comments or hearing requests must be received within 30 days after the public notice is published.

The permit application, draft permit and relevant supporting materials are currently available for review at the Air Quality Bureau, Operating Permits Unit, 1301 Siler, Bldg B, Santa Fe, New Mexico 87507-3113. The Department contact in Santa Fe is Joseph Kimbrell at 505-476-4347.
